<sup>1</sup> Pursuant to ¶ C.3.a.i.b of the Guidelines, “Comparable Non-Bankruptcy Invoices Issued in 2019” provides the blended hourly rate for the aggregate of “[a]ll timekeepers in each of [Jones Day’s] domestic offices in which timekeepers collectively billed at least 10% of the hours to the bankruptcy case during the [Compensation Period].” During the Compensation Period, no office other than New York office billed at least 10% of the hours to the bankruptcy case.

<sup>2</sup> Jones Day calculated the average hourly rate for Comparable Non-Bankruptcy Invoices by dividing the total dollar amount billed by each class of timekeepers during the applicable period by the total amount of hours billed by such timekeepers during the Compensation Period (excluding all data from timekeepers practicing primarily in a bankruptcy group or section).

<sup>3</sup> Jones Day calculated the average hourly rate for timekeepers who billed the Debtors by dividing the total dollar amount billed by each class of timekeepers by the total number of hours billed by such timekeepers during the Compensation Period.

In support of this Application, Jones Day respectfully represents as follows:

### **Background**

#### ***General Background***

1. On September 15, 2019 (the “Petition Date”), each of the Debtors filed a voluntary petition for relief under chapter 11 of the Bankruptcy Code. The Debtors are authorized to continue to manage and operate their businesses as debtors in possession pursuant to sections 1107 and 1108 of the Bankruptcy Code. No trustee has been appointed in the Debtors’ chapter 11 cases (the “Chapter 11 Cases”) as of the date hereof.

2. Background information regarding the Debtors and these Chapter 11 Cases, including the Debtors’ business operations, corporate structure, financial condition and the events leading up to these Chapter 11 Cases, is set forth in the *Debtors’ Informational Brief* filed on September 16, 2019 [ECF No. 17].

3. On December 5, 2019, the Debtors filed an *Application of the Debtors for an Order Authorizing them to Retain and Employ Jones Day as Special Counsel Nunc Pro Tunc to the Petition Date* [ECF No. 601].

4. On December 20, 2019, this Court entered an *Order Authorizing the Debtors to Retain and Employ Jones Day as Special Counsel Nunc Pro Tunc to the Petition Date* [ECF No. 690].

5. Jones Day has been representing the Debtors since 2004 in connection with intellectual property prosecution and litigation, including Hatch-Waxman patent litigation and related matters. Additionally, over the years Jones Day has provided the Debtors with general intellectual property related counseling and opinion work. Over the course of the engagement, Jones Day attorneys have worked closely with the Debtors' management and in-house counsel and, as a result, have acquired extensive knowledge of the Debtors' history, intellectual property portfolio, litigation needs and related matters.

6. During the Compensation Period, Jones Day has continued providing the Debtors with targeted advice on discrete matters of patent and intellectual property law. Additionally, Jones Day continued representing the Debtors in connection with several active patent litigation matters, to the extent not stayed as a result of these Chapter 11 Cases. Jones Day now seeks compensation for services rendered and reimbursement of expenses incurred in connection with the aforementioned representation.

**Statements by Jones Day**

7. Jones Day makes the following statements consistent with the *Guidelines for Reviewing Applications for Compensation and Reimbursement of Expenses Filed under 11 U.S.C. § 330 by Attorneys in Larger Chapter 11 Cases, effective November 1, 2013* (the "U.S. Trustee Guidelines") and the *General Order M-447, Amended Guidelines for Fees and Disbursements for Professionals in Southern District of New York Bankruptcy Cases* (the "Local Guidelines").

***Statements by Jones Day Pursuant to Section C(5) of the U.S. Trustee Guidelines – Certain Fee and Rate Matters***

8. Consistent with the pre-petition practice, Jones Day agreed to charge the Debtors lower billing rates than the standard rates customarily billed by the firm. For 2019, Jones

Day agreed to charge the Debtors previous year's billable rates (*i.e.*, Jones Day used 2018 standard billable rates in calculating amounts due for legal services performed), and the rates were also subject to a ten percent (10%) discount. For 2020, Jones Day agreed to charge the Debtors previous year's billable rates (*i.e.*, Jones Day used 2019 billable rates in calculating amounts due for legal services performed), and the current rates are also subject to a thirteen percent (13%) discount.

9. None of the hourly rates of Jones Day's professionals and paralegals included in this Application have been varied based on the geographic location of these Chapter 11 Cases.

10. This Application does not include time or fees related to reviewing time records to ensure the protection of any privileged or other confidential information and revising invoices that are separate from the reasonable fees incurred for preparing the Monthly Fee Statements (as defined below) or this Application.

11. This Application does include standard annual hourly rate increases occurring during the Compensation Period. However, as explained above, the 2020 hourly rates are subject to a discounted rate arrangement agreed to between the Debtors and Jones Day.

***Statements by Jones Day Pursuant to Section C(6) of the  
U.S. Trustee Guidelines — Information About Budget and Staffing Plans***

12. As previously disclosed in the Retention Application, Jones Day discussed the use of a project-based budget and staffing plan with the Debtors for the duration of the Chapter 11 Cases. The fees sought in this Application are in line with the budget discussed with and approved by the Debtors.

### **Jurisdiction and Venue**

13. The Court has subject matter jurisdiction to consider this matter pursuant to 28 U.S.C. § 1334. This is a core proceeding pursuant to 28 U.S.C. § 157(b). Venue is proper before this Court pursuant to 28 U.S.C. §§ 1408 and 1409.

**(5) IPC II (16.5 hours)**

25. During the Compensation Period, Jones Day professionals continued to give attention to this pending matter and also considered strategy in view of the Debtors' bankruptcy filing.

**(6) Collegium 961 PGR (50.50 hours)**

26. During the Compensation Period, Jones Day professionals prepared and filed the Notice of Bankruptcy Filing and Imposition of Automatic Stay, and performed legal research in connection with same. Further, Jones Day professionals prepared for and attended meetings with the board of directors regarding same. Finally, Jones Day professionals advised the Debtors on implications of a recent Federal Circuit decision affecting the matter and changes in composition of the panel reviewing the case.

**(7) Strategic Corporate Advice (484.10 hours)**

27. During the Compensation Period, Jones Day professionals dedicated time to preparing for meetings with the Debtors and their primary counsel regarding the Chapter 11 Cases and addressed inquiries by the Official Committee of Unsecured Creditors appointed in these Chapter 11 Cases regarding status of various litigation matters. Further, Jones Day professionals negotiated and drafted a common interest agreement between the Debtors and certain third parties. Jones Day also analyzed various settlement statistics in Hatch Waxman cases as applicable to the Debtors and reviewed issues relating to certain patent license agreements. Finally, Jones Day attorneys dedicated significant time to reviewing and analyzing an asset purchase agreement and

relevant ancillary documents between CellAct and Purdue Pharma and developing strategy to address CellAct's purported breach of contract. In connection with same, Jones Day attorneys in the U.S. and Germany also considered and analyzed German-law and cross-border aspects relevant to the breach and the impact of the U.S. bankruptcy filing.

**(8) *Project Alpha (73.8 hours)*<sup>2</sup>**

28. During the Compensation Period, Jones Day professionals evaluated strategy with respect to a new confidential matter and provided advice to the Debtors in connection with same.

**(9) *Retention Matters (280 hours)***

29. During the Compensation Period, Jones Day professionals prepared Jones Day's retention application and the supporting documents. Jones Day also spent time reviewing voluminous conflict reports and addressing disclosure matters in connection with Jones Day's retention as special counsel. Finally, Jones Day professionals prepared and submitted the Monthly Fee Statements in these Chapter 11 Cases.

**(10) *Non-Adversarial Ex Parte Counseling (14.2 hours)***

30. During the Compensation Period, Jones Day professionals performed work in connection with a patent term extension of an Australian patent.

***The Requested Fees Are Reasonable***

31. The amount of fees sought by Jones Day is appropriate given the issues presented by the Debtors' Chapter 11 Cases. In addition, these fees are commensurate with fees that other attorneys of comparable experience and expertise have charged and been awarded in similar chapter 11 cases. Jones Day's work on the aforementioned active litigation matters,

---

<sup>2</sup> The time records for this matter included in Exhibit E have been minimally redacted to protect privileged information.

including advising the Debtors with respect to preservation of rights in pending litigation matters in light of the bankruptcy proceedings, is beneficial to the Debtors, the Debtors' estates and other parties in interest and furthers the Debtors' ultimate goal of maximizing the value of the estates for the benefit of all parties in interest.

**Expenses Incurred By Jones Day**

32. Section 330 of the Bankruptcy Code authorizes "reimbursement for actual, necessary expenses" incurred by professionals employed in a chapter 11 case. 11 U.S.C. § 330. Accordingly, Jones Day seeks interim allowance of reimbursement of expenses incurred during the Compensation Period, in the amount of \$12,001.56. The expenses for which Jones Day seeks reimbursement are reasonable, actual and necessary, and are of the kind customarily billed to non-bankruptcy clients.

33. Consistent with section C(13) of the U.S. Trustee Guidelines and sections A(4)(vi) and A(5)(iii) of the Local Guidelines, the expense details attached as Exhibits C and E hereto identify the expenses sought to be reimbursed herein in chronological order, including for each expense (a) the amount, (b) a description and pertinent detail, (c) the date(s) incurred, (d) the Jones Day professional or paralegal that incurred the expense (if relevant) and (e) the reason for the expense (to the extent not obvious from the description).

34. In accordance with the requirements of the Bankruptcy Code, the Bankruptcy Rules and the Guidelines, Jones Day maintains the following policies with respect to expenses for which reimbursement is sought herein:

- (a) No amortization of the cost of any investment, equipment or capital outlay is included in the expenses. In addition, for those items or services that Jones Day purchased or contracted from a third party (such as consultants), Jones Day seeks reimbursement only for the exact amount billed to Jones Day by the third party vendor and paid by Jones Day to the third party vendor.

- (b) Photocopying by Jones Day, to the extent charged, was charged at 10 cents per page. To the extent practicable, Jones Day utilized less expensive outside copying services.
- (c) The time pressures associated with the services rendered by Jones Day frequently required Jones Day's professionals and paralegals to devote substantial amounts of time during the evenings and on weekends. Jones Day has not charged the Debtors for secretarial and other staff overtime expense.

35. Jones Day believes that this Application reflects all expenses incurred during the Compensation Period. To the extent any such expenses have not yet been billed as of the date of filing of this Application, however, due to, for example, delays in the applicable billing cycle, Jones Day reserves the right to supplement this Application to include such expenses at or prior to the hearing thereon or to seek reimbursement of such expenses in connection with the next interim compensation period.

#### **Adjustment to Fees and Expenses**

36. Consistent with its own internal policies and to comply with the "reasonableness" requirements of section 330 of the Bankruptcy Code, Jones Day has reviewed the service descriptions and expense detail associated with the Compensation Period and has determined that certain fees should not be charged to the Debtors. This Application reflects these adjustments. The adjustments made by Jones Day result from, among other things: (a) the reduction (or elimination) of fees where the time charged for the particular services exceeded the amount of time that, in Jones Day's estimation, it should have taken the lawyer or the paraprofessional to render the services; (b) the deletion of charges for duplicative or nonproductive services; and (c) other adjustments considered appropriate by Jones Day or required by applicable rules.

**The Requested Compensation Should Be Allowed**

37. Section 330(a)(1) of the Bankruptcy Code provides that the Court may award a professional person employed under section 327 or 1103 of the Bankruptcy Code:

- (A) reasonable compensation for actual, necessary services rendered by the trustee, examiner, ombudsman, professional person, or attorney and by any paraprofessional person employed by any such person; and
- (B) reimbursement for actual, necessary expenses.

11 U.S.C. § 330(a)(1). Section 330(a)(3)(A) further provides the following standards for the Court's review of a fee application:

In determining the amount of reasonable compensation to be awarded to an examiner, trustee under chapter 11, or professional person the court shall consider the nature, the extent, and the value of such services, taking into account all relevant factors, including—

- 1. the time spent on such services;
- 2. the rates charged for such services;
- 3. whether the services were necessary to the administration of, or beneficial at the time the service was rendered toward the completion of, a case under this title;
- 4. whether the services were performed within a reasonable amount of time commensurate with the complexity, importance, and nature of the problem, issue, or task addressed;
- 5. with respect to a professional person, whether the person is board certified or otherwise has demonstrated skill and experience in the bankruptcy field; and
- 6. whether the compensation is reasonable based on the customary compensation charged by comparably skilled practitioners in cases other than cases under this title.

11 U.S.C. § 330(a)(3)(A).

38. Jones Day respectfully submits that it has satisfied the requirements for the allowance of the compensation and reimbursement of expenses sought herein. The services

described above were necessary to the administration of the Debtors' Chapter 11 Cases and were beneficial to the Debtors and parties in interest. Jones Day's services were often performed in a minimum amount of time and commensurate with the complexity of the matters facing the Debtors. Further, the compensation sought by Jones Day is reasonable because it is based on the customary compensation charged by comparably skilled practitioners outside of bankruptcy.

**Review by the Debtors**

39. The Debtors and the U.S. Trustee have received copies of the Monthly Fee Statements filed in these Chapter 11 Cases and had the opportunity to review the invoices for the Compensation Period.

**Notice**

40. Notice of this Application has been provided in accordance with procedures set forth in the Interim Compensation Procedures Order and the *Second Amended Order Establishing Certain Notice, Case Management, and Administrative Procedures* [ECF No. 498]. Jones Day respectfully submits that no other or further notice need be provided.

WHEREFORE, Jones Day respectfully requests that the Court enter an order: (i) granting this Application; (ii) allowing on an interim basis compensation in the amount of \$1,067,512.46 for professional services rendered by Jones Day during the Compensation Period; (iii) allowing on an interim basis reimbursement of expenses of \$12,001.56 incurred by Jones Day during the Compensation Period; (iv) authorizing and directing the Debtors to pay the approved fees and expenses to Jones Day; and (v) granting such other and further relief to Jones Day as is just and proper.

Statements by Jones Day Pursuant to Section C.5 of the U.S. Trustee Guidelines

4. The following statement is provided pursuant to section C.5 of the U.S. Trustee

Guidelines:

- (a) **Question:** Did you agree to any variations from, or alternatives to, your standard or customary billing rates, fees or terms for services pertaining to this engagement that were provided during the application period?

**Answer:** Prior to the Petition Date, the Debtors and Jones Day agreed to a discounted fee arrangement. Jones Day and the Debtors agreed to maintain this discounted fee arrangement following the Petition Date.

- (b) **Question:** If the fees sought in the fee application as compared to the fees budgeted for the time period covered by the fee application are higher by 10% or more, did you discuss the reasons for the variation with the client?

**Answer:** The fees sought in this Application do not exceed the budget contemplated during the Compensation Period discussed with and approved by the Debtors prior to the Petition Date.

- (c) **Question:** Have any of the professionals included in this fee application varied their hourly rate based on the geographic location of the bankruptcy case?

**Answer:** No.

- (d) **Question:** Does the fee application include time or fees related to reviewing or revising time records or preparing, reviewing or revising invoices other than reasonable fees for preparing fee applications? (This is limited to work involved in preparing and editing billing records that would not be compensable outside of bankruptcy and does not include reasonable fees for preparing a fee application.) If so, please quantify by hours and fees.

**Answer:** No.

- (e) **Question:** Does the fee application include time or fees for reviewing time records to redact any privileged or other confidential information? If so, please quantify by hours and fees.

**Answer:** No.

- (f) **Question:** If the fee application includes any rate increases since retention: (i) Did your client review and approve those rate increases in advance? (ii) Did your client agree when retaining the law firm to accept all future rate increases? If not, did you inform your client that they need not agree to modified rates or

terms in order to have you continue the representation, consistent with ABA Formal Ethics Opinion 11-458?

**Answer:** This Compensation Period includes customary annual rate increases for Jones Day's professionals' fees, subject to reduction as agreed to by the Debtors and Jones Day as described above. The Debtors reviewed and approved those rate increases in advance.
